25. Comments from partners and conclusions.

The respondents said that it was a good experience and the project was perfectly prepared and well-organized.

26. Positive aspects of the meeting – strengths (Please write, what do you think are the positive aspects of the meeting – strengths)

The respondents said that it was a good opportunity to meet new people, learn about different cultures and about life disconnected from technologies. They could also improve their English skill and all of them were satisfied with the organization, hosts and activities.

27. Aspects that could be improved, or weaknesses of the next activity (Please, write, in your opinion, what are the aspects that could be improved, or weaknesses of the meeting)

Some participants suggested that the presentation and introduction of foreign schools could be improved, and the content of the project should be enriched. One person wished for more leisure activities instead of cultural activities. Another important point for future projects is to provide more information about what participants need to bring with them. Hosts should also be prepared for international students, considering that they speak different languages.
