Comments from partners and conclusions.

Participants could learn a lot about Granada and the Spanish culture and they could improve their communication and socialization skills.

Positive aspects of the meeting – strengths (Please write, what do you think are the positive aspects of the meeting – strengths)

According to the answers the project provided a good opportunity to learn how to work in team and become cultured without technology. Participants highlighted the balance between work time and sightseeing while they had an excellent opportunity to improve their English skills.

Aspects that could be improved, or weaknesses of the next activity (Please, write, in your opinion, what are the aspects that could be improved, or weaknesses of the meeting)

Many of the participants wish to pay more attention on better time management and to be more stucked to the agenda or be more flexible, in order to avoid time-wasting. Some of them expected to have content-richer activities and many of them mentioned that communication problems between foreign students and domestic teachers and students.
